# “I’m Growing”

**LARGE & SMALL MOTOR SKILLS** Motor coordination is refined as muscles grow and develop. Activities such as building with blocks, using play-dough and scissors, and riding bikes have increased to give me greater control over my movements.

**Standard:10.5 PK.A** Use hands, fingers, and wrists to manipulate objects

# “I’m learning math & science!”

**MATH & SCIENCE SKILLS** Math skills begin with sorting and patterning activities, then number recognition, counting and seriating. These help me apply math to my world. Science begins with cultivating the desire to explore and discover.

**Standard: 2.1 PK. A. 2** Count to tell the number of objects (ex. Counting cheese balls and sorting them into numbered cups).

# “I’m making friends!”

**SOCIAL SKILLS** A cooperative learning environment provides many opportunities for social growth. Interactional skills gained during preschool increase my desire and ability to form meaningful relationships.

Standard: 16.2 PK.A. Interact with peers and adults in a socially acceptable manner

“I’m learning about language.”

EMERGENT LITERACY Literacy development helped me acquire the skills of communication, writing, and preparation for reading.

**Standard: 1.1 PK.B** Identify basic features of print

“I can express myself through art!”

CREATIVE EXPRESSION I am learning to feel the joy of discovering what different mediums can do. I love to create my very own pictures.

**Standard: 9.1.V PK.B** Combine a variety of materials to create a work of art

“There are some days I will never forget!”

SPECIAL EVENTS Celebrating special events brings many concepts to life and helps a child make connection in areas of learning.

**Standard: 25.4 P.K. A** Pro-Social Relationships with peers (trick or treating with classmates)
